

**IT'S SHEDDING SEASON AND LUCKY PET SUPPLIES IS VERY PLEASED TO OFFER THE MEMBERS OF THE GOLDEN RETRIEVER CLUB OF NEW SOUTH WALES A VERY SPECIAL MEMBER'S DEAL FOR THE DELUXE FURMINATOR**

The *Deluxe FURminator* brush is the industry standard for deShedding tools, making it the most effective way to get rid of unwanted, loose pet hair before it's everywhere.

**This is the ultimate Dog Grooming Brush!**

The Patented *Deluxe FURminator* deShedding brush quickly and easily removes the loose dead undercoat that is the underlying source of shedding, a **pet owners #1 complaint**. The stainless steel combs have slightly rounded tips so they are not sharp like a slicker brush and don't irritate tender skin while they reach deep beneath your dog's longer topcoat to safely and easily remove loose hair.

**Using the FURminator deShedding tool reduces shedding by up to 90%!**

The NEW *DELUXE FURminator*:

- Has an ergonomic handle with a comfortable grip;
- Comes with a *FURjector* button to easily clean and remove loose hair from the tool with ease;
- Is perfect for all shedding breeds of dogs and cats, whether they have long or short hair—you can even use it on a horse;
- Comes in a variety of sizes and comb lengths, making it easy to find the right one for your dog;
- Is guaranteed to reduce shedding better than any brush, comb or rake.

**Regular use of the *Deluxe FURminator* deShedding brush will bring out your pet's natural oils, leaving a shiny and healthy topcoat.**

The *Deluxe FURminator* is available for both long (more than 5cm) and short (less than 5cm) coats, and a comb width that's right for your dog. For Golden Retrievers, we recommend either:

	Deluxe Large 10cm (4") wide	Club Member Price \$42.50 (RRP \$69.99)
